Core Competencies

Footnote Translations, Inc. supports all **government departments and agencies** in their mission to provide better government services and improve access to language services.

Our technology experts and business professionals analyze research, design and implement solutions in the areas of:

- Diplomatic and Conference Interpreting;
- Translation in over 100 languages;
- Technology: mobile event app, scheduling and invoicing solutions; best interpretation equipment
- Professional Services: design of training manual and guides; cultural awareness training

Differentiators

We offer Translation and Interpretation Services geared towards any government agency's needs while eyeing cost-saving solutions. Access to thousands of qualified translators and interpreters, all languages. Our new offices are located in the DMV area!

- ISO-certification in process
- Community and ASL sign language interpreting
- Over 2 decades of experience with government projects
- Member of the National Language Corps (NLSC) since 2012
- Managed dozens of projects for the Department of Health and Human Services, Office of Civil Rights (HHC OCR); Department of Labor (EEO)

Company Data

We are partnering with other WOSB and VOSB companies, such as GuideOn, LLC, an education consulting firm, and Sieff Studios, a video production company, to enable us to develop curriculae, and training manuals and videos. We are a proud member of the Leadership Council for National Small Business Administration.

- Socio-economic certifications: VOSB, WOSB.

Past Performance

* **General Service Administration (GSA)**: In preparation for the presidential election in November 2024, GSA is going to expand their Creole content on their www.vote.gov site for instructions on how to register to vote. This is a very important project that will require much attention to detail to ensure the translations are clear and helpful to the U.S. public. 80K words over two months. **Contact: Nathalie Coupet for info**
